PROFESSIONAL SUMMARY

Motivated Computer Science student with a solid foundation in full-stack development, algorithms, and database systems. Proficient in Java, JavaScript, C++, and SQL with hands-on experience in web development and software design. Seeking a Summer 2025 Software Engineering Internship to contribute technical expertise in a collaborative environment.

EDUCATION

Michigan Technological University, Houghton, MI

B.S. in Computer Science, Minor in Business IT Solutions

August 2023 – Expected May 2027 | GPA: 3.76

PROJECTS

Humane Interface Design Enterprise (HIDE) — Full Stack Developer

Ongoing | TypeScript, HTML, CSS, SQL, GitHub

- *Developed key features for the front-end and back-end of a dynamic website for MTU's Sound and Lighting Services.*
- *Collaborated with a team to optimize user interfaces and database structures.*

Recipe Sharing App — Team Lead & Full Stack Developer

JavaScript, Java, Spring Boot, SQL, HTML, CSS

- *Led a team of 4 in an Agile development process to create a fully functional recipe-sharing platform.*
- *Designed RESTful APIs and implemented user authentication and data persistence.*

EXPERIENCE

Outlier.AI, Remote

Freelancer (May 2024 – Present)

- *Enhanced AI-generated code quality by designing and testing prompts to improve accuracy and efficiency.*
- *Identified, debugged, and corrected AI-generated code errors across multiple programming languages.*
- *Provided detailed feedback to improve AI models' performance in generating clean, functional code.*

Luciano's Italian Restaurant, Clinton Twp, MI — Busser

May 2021 - Present

- *Developed strong teamwork, communication, and multitasking skills in a fast-paced environment.*
- *Worked efficiently under pressure, translating well into technical project collaboration.*

SKILLS

- *Programming Languages: Java, C, C++, SQL, HTML, CSS, JavaScript*
- *Development Tools: Eclipse, VS Code, GitHub, SQLWorkbench, AWS,*
- *Certifications: Microsoft Excel Certified (2023), Microsoft PowerPoint Certified (2023), Microsoft Word Certified (2023), Information technology Specialist*
